

# MVUU WILDERNESS LODGE

## LIWONDE NATIONAL PARK

### Classic Wilderness Camp

Mvuu Wilderness Lodge is located in Liwonde National Park, Malawi's premier game viewing destination and an area of captivating variety and beauty.

Accommodation comprises eight tents, each with en-suite bathroom facilities and its own deck built to look over the water. Lodge facilities include a dining room, pub, lounge area, a hide overlooking the river, and a swimming pool. Activities include boating in stable, handmade wooden boats, walks, and traditional game drives by day and night.

The lodge nestles discreetly in a lagoon just off the Shire River with the main lounge area set high above the water. It has an extensive wildlife library and telescope to make the most of the exceptional birdwatching and other life that moves around the River.

A great diversity of animals can be seen including large numbers of elephant, sable, hippo, impala, waterbuck, crocodiles and occasionally the rare black rhino. Bird life in the area is prolific, with African Fish-Eagle and Pel's Fishing-Owl frequently sighted, as well as Böhm's Bee-eater, African Skimmer, Palmnut Vulture, White-backed Night-Heron and a host of other "specials".
